A Local Technical Assistance Program (LTAP) at Auburn University
Director

Rod E Turochy
Associate Professor, and Director of the Alabama Technology Transfer Center

Oversees all communication efforts. (Program Announcements, Website, Newsletters)

Oversees the development of workshop schedule and instructor selection.

RESEARCH INTERESTS
Traffic engineering; highway safety; intelligent transportation systems; transportation policy; highway quality assurance; bicycle and pedestrian facility planning
Larry Sellers
Senior Outreach Associate, Alabama Technology Transfer Center; Coordinator for Local Technical Assistance Program (LTAP), and Alabama Employee Development Program

Point-of-contact with the Federal Highway Administration and the Alabama Department of Transportation for technical training involving highway related issues; coordinates other special projects as required (e.g., transportation conferences, software implementation for office, and equipment purchases).
Garry is an Outreach Program Manager with Engineering Continuing Education. Garry has been part of the Alabama LTAP for six years and the NLTAPA for the last two years as the region 4 Rep. He has also been the main coordinator for the Alabama Rural Assistance Program. Garry also handles special projects for The Alabama Department of Transportation, and local FHWA initiatives.

presents the

Southeastern Rail-Highway Safety
Conference and Workshop

June 18 - 20, 2014

Host Location
Renaissance Montgomery
Hotel & Spa
At the Convention Center
201 Tallapoosa Street
Montgomery, Alabama 36104

About the Conference

This is the conference for getting the latest information on the Rail-Highway Grade Crossing safety improvements and will provide the latest updates on regulations, legal precedents and technology. Over the last sixteen years this conference has been the place to meet the experts, debate issues, and gain insight about what works and what does not work. You will be exposed to additional resources that can help you do your job more effectively. The conference workshop will be very informative and beneficial. The conference presents technical presentations with discussion oriented workshops to provide a forum for the exchange of ideas within the rail-highway safety community.

Location and Schedule

The conference will be held at the Renaissance Montgomery Hotel & Spa at The Convention Center, located at 201 Tallapoosa Street, Montgomery, Alabama. Information on accommodations are listed later in this brochure.

Registration and Fee

All persons attending the conference must register. The registration fee of $150 includes all sessions, program materials, refreshment breaks, and luncheons. To register, please complete the attached registration form and return it to the address indicated, or call us at (800)449-0382, (205) 844-0210, or FAX 205-844-5515. Online registration is available at www.pace.auburn.edu.

5:00 p.m. in the Mali Lobby on June 18, 2014.

Accommodations

Participants are responsible for making their own lodging arrangements. A block of rooms have been reserved at the conference hotel. Room Block is listed under Southeastern Rail-Highway Safety Conference and Workshop. (877-546-0311)
