Tuesday, July 28

9:50 – 10:00 am	**Check in for Conference Day 1**
10:00 – 10:20 am	Welcome to the LTAP/NTTD Community & Announcements What to Expect, Activities, and New Information
10:20 – 11:00 am	Keynote Address - Carlos Braceras, PE (recorded presentation) Executive Director, Utah Department of Transportation and Chair, TRB Executive Committee
11:00 – 11:10 am	**Stretch and Interaction Break**
11:10 – 11:15 am	*State Sharing – Innovative Approaches, Tools, and Resources*
11:15 – 12:15 pm	You can't Escape the Posters Collaborators: Olivia Phelps (LA LTAP), Marilee LaFond (UNH T2), and Megan Patent-Nygren (NE LTAP) Description: Part poster session, part scavenger hunt, part Escape Room…all fun and sharing! Louisiana LTAP has introduced the popular Escape Room concept to their training. In this session they will share the process and their experience. Participants will then be teamed up to experience a virtual escape room partnering the concept with our annual poster scavenger hunt. Also watch for details on how to submit your center's poster or infographic to be included in this interactive sharing event!
12:15 – 12:25 pm	**Stretch and Interaction Break**
12:25 – 12:30 pm	*Hot Topics*
12:30 – 1:30 pm	Asset Management Implementation for Local Road Agencies Description: This session will feature asset management success stories from multiple LTAP centers. In addition to providing details about what their center does to support local roadway asset management efforts in their state, each presenter will share background information to help session participants understand why these efforts flourished. By exploring the circumstances, partnerships, and compromises that created these examples we hope to provide insights that will help other centers successfully engage local road agencies in the future.
1:30 – 1:35 pm	**Wrap Up and Tomorrow's Activities**

Wednesday, July 29

9:50 – 10:00 am	**Check in for Conference Day 2**

11:00 – 11:10 am	**Stretch and Interaction Break**
11:10 – 11:15 am	*State Sharing – Innovative Approaches, Tools, and Resources*
11:15 – 12:15 pm	Using Technology to Foster Employee Development Kyrie Drake and Jenni Hesselbein (Arizona Department of Transportation) Description: Learn techniques for effectively utilizing technology for advertising, learning management/tracking, site to site, remote interaction, and in the classroom.
12:15 – 12:25 pm	**Stretch and Interaction Break**
12:25 – 12:30 pm	*Hot Topics*
12:30 – 1:30 pm	Top Tips for Successful Conflict Management Emily Wilder (KS LTAP) Description: Learning how to successfully manage conflict is an essential skill for anyone that wants to be successful, accomplish goals, and communicate effectively with others. With our lives turned upside down from the Covid-19 pandemic, many are facing an increase in the level of conflict they are experiencing. Communicating with others virtually, having different communication styles and beliefs, and everyone's heightened stress levels all play a role. Join us for this one-hour interactive presentation where Emily Wilder from KS LTAP will discuss tips on managing yourself and your responses to conflict.
1:30 – 1:35 pm	**Wrap Up and Tomorrow's Activities**

Thursday, July 30
